Dear Senator Moore

The Women's International League for Peace and Freedom wishes to congratulate you on your recent re-election as a Labor Senator for Queensland in the Australian Federal Parliament.

We are very pleased about the change of government at the November elections and look forward generally to a more sympathetic ear in regard to issues that concern us.

We most sincerely appreciate your support in the past and know that we will enjoy the continuation of our working together – in regard to issues concerning human rights, particularly women's rights and equality, indigenous issues and our opposition to war as an answer to problems between peoples.

WILPF also appreciates your genuine support in that you find time in your busy schedule when possible to attend our functions.

We wish you good luck and great success in the continuation of your work.

Yours sincerely

Cathy Picone and Ruth Russell
Joint National Coordinators
