

## **How is my WILPF membership fee used? And what about donations?**

### **1. Supporting the work of WILPF International**

A significant part of your membership fee, and of membership fees from National Sections from around the world, helps fund the WILPF International Secretariat membership administration costs.

### **2. Supporting the work of WILPF Australia**

The rest of your membership fee is used for:

- the costs of our campaigns and achieving our strategic goals (for example, printing, research)
- communications and governance (such as maintenance of our website, insurance and national board costs)
- donations to other organisations and causes
- activities of the branches.

### **3. Donations**

Your donation will support the activities and campaigns of WILPF across Australia.

For more information about tax deductible donations or bequests go to the [Donation page](#).
